SUMMARY

Motivated and detail-oriented Computer Science student with hands-on experience in web development, Python programming, and cloud-based application deployment. Proven problem-solving and teamwork skills, seeking to contribute to innovative software projects in a dynamic organization.

EDUCATION

B.Tech in Computer Science and Engineering

Tadipatri Engineering College

73.5%

Oct 2022 – April 2026

Intermediate

Sir. C.V.Raman Junior College

63.3%

June 2020 – March 2022

SSC Education

Good Shepherd E/M school

99.3%

March 2020

PROJECTS

1. Weather Forecast :

- Developed a responsive Weather Forecast Web Application using APIs to fetch real-time weather data, displaying temperature for multiple locations.

2. AI Resume Builder with Job Matching System:

- Developed an “AI Resume Builder with Job Matching System” using React.js, Python (Flask), and MySQL to help users create professional resumes and discover relevant job opportunities. Implemented AI-powered resume suggestions, ATS score analysis, secure authentication, PDF generation, and job-matching features in a responsive web application.

INTERNSHIPS

GREEN TREE SOFTTECH SOLUTIONS | Web Development

May 2025 – July 2025

- Gained practical experience in developing dynamic web applications using React.js, MongoDB, and VS Code. Improved front-end and back-end development skills by working on real-world projects.

VEDXLENCE | Full Stack with Python

- Completed a Full Stack Python Development internship at Vedxlence, gaining practical experience in Python, front-end, and back-end development. Worked on real-world projects to strengthen web development and problem-solving skills.

SKILLS

Programming Skills	Python, HTML, CSS, JavaScript
Database	Mongo DB, MySQL
Frameworks	React.js, Flask
Developer Tools	VS Code, GitHub, Android Studio
Soft Skills	Quick learner, Time and Team management, Adaptability

ACHIEVEMENTS

- Earned certification from Infosys Springboard in various courses.
- Successfully completed the MongoDB Node.js Developer Path with SmartBridge and received a certificate.
- Engaged in a technical event at RGM Technological Institutions, gaining valuable experience.
- Got the certificate on Decision Analysis and Decision Making – III from NPTEL Swayam.
- Earned Artificial Fundamentals credentials from IBM SkillsBuild.
- Successfully completed the Full Stack with Python Course in Vedxlence.
